

Fall 2022 PIE Coffee Hour & Teaching Workshop Series

Join fellow TAs and instructors to discuss strategies and techniques that promote excellence in teaching and learning. Bring your questions, concerns, and ideas! Workshops will be available in hybrid, in-person, and Zoom-based formats.

Tuesday

9/13

12:30 PM - 2:00 PM

Zoom

Canvas Rubrics & Assignment Building

Join PIE staff and host **Darius Robinson**, 2022-2023 PIE Teaching Associate and PhD candidate in Higher Education, as we explore the pedagogical value of creating detailed rubrics that align well with assignments! We will also offer live Canvas rubric demonstrations. Feel free to bring questions!

Registration: https://bit.ly/9-13_RUBRIC

Thursday

9/29

11:00 AM - 12:30 PM

HSF 4003

Managing Your Mental Health as a Teaching Assistant

Join PIE staff and special presenter **Julia Storage, M.A., LMHC**, to discuss how to nurture your mental well-being as you balance the many roles and responsibilities of being a TA at FSU. In collaboration with **FSU Counseling & Psychological Services (CAPS)**, this special in-person workshop will introduce students to stress- and conflict-management techniques, as well as mental-health resources available at FSU.

Registration: https://bit.ly/9-29_MENTALHEALTH

Friday

10/14

1:00 PM - 2:30 PM

Zoom

Writing Equitable Letters of Recommendation

Join PIE staff as we discuss findings from our 2021-2022 Undergraduate Research Opportunity Program (UROP) project, in which we investigated the **effects of gender bias on letters of recommendation** across the disciplines at FSU. This virtual workshop will discuss continuing areas of concern as well as the promising strides being made to achieve parity in letters of recommendation.

Registration: https://bit.ly/10-14_LOR

Wednesday

10/26

3:30 - 5:00 PM

HSF 4003

Engaging Your Students in a PIE-rate Adventure!

Join us for our **annual in-person Halloween workshop** adventure! PIE staff will explore strategies for engaging your students in the classroom, from the first day of class to going beyond the lecture/PowerPoint model throughout the semester. Featuring free refreshments, spooky-themed socializing, and a Halloween prize!

Registration: https://bit.ly/10-26_HALLOWEEN

Wednesday

11/07

1:00 PM - 2:30 PM

HSF 4003 & Zoom

Using Student Evaluations to Improve Teaching

Join PIE staff from **STEM, Humanities and Music** in this special **hybrid workshop** as we discuss how to use both positive and constructive feedback to better your teaching in the future. We will also show various, interdisciplinary ways to collect feedback from your students in the classroom.
