PIE VIRTUAL COFFEE HOUR &
TEACHING WORKSHOP

Educational Media for Online Learning: Tips, Tools, & Resources

In this workshop, Caity Kelly, an alumnus from FSU’s Instructional Systems and Learning Technologies program will discuss techniques for incorporating good design elements into various types of media in the online classroom, such as infographics, worksheets, and videos. Additionally, we will explore a few tools for creating educational media as well as the merit of utilizing open educational resources (OER) as a powerful tool for teaching and learning.
